# PRESS RELEASE

## Mayesh Wants to “Like” Your Best Wedding Design Work!

**Los Angeles, March 28, 2011:** Mayesh Wholesale Florist's Facebook fans are always “liking” its pictures and albums and now it's YOUR turn! Mayesh wants to like and share YOUR pictures of your fabulous wedding work!

Wedding season is quickly approaching and Mayesh thought it would be fun to show off your work on its website! The company wants you to post your favorite fresh flower designs on its Facebook page for the next few weeks through April 31, 2011. Then, Mayesh will pick its favorite pictures and post them on the rotating picture section on mayesh.com's home page, front and center, along with your shop information!

For the months of May and June, Mayesh will select a handful of pictures that will be displayed for a week. And each week the company will display new pictures. For more information please visit <http://ow.ly/4omMk>!
